In order to help you, here there is “an idea” for each question.

Esta guía no da respuestas definitivas. Si usted tiene una respuesta diferente (cuidando la gramática), mucho mejor.

1. Where did you study? (Location and university name) Give details.

Una forma correcta de responder esta pregunta es usando el *pasado simple*.

For example:

Subject + Verb (in past) + Complement. — I studied at University of Chile.

Para hablar de más detalles debe mencionar aspectos claves de donde estudió.

For example:

- ✓ It's located in _____.
- ✓ It's the most important _____ of the region.
- ✓ This _____ has amazing buildings and the teachers are good.
- ✓ I love this _____ because they taught me _____
- ✓ Etc.

2. Have you ever worked as a _____ (profession) ? No? Why? Give details.

Esta pregunta nos está pidiendo usar el *presente perfecto* (para hablar de experiencias).

For example:

Para responder sí:

Subject + Have/Has + Verb (participle) + complement:

YES, I HAVE WORKED FOR TWO YEARS AT ENTEL COMPANY.

Si es una respuesta negativa:

Subject + Have/Has + adverb (never) + Verb (participle) + complement:

I have never worked as a/an _____ (profession)

Recuerde que para escribir y hablar puede abreviar el:

I, you, we, they + have + verb (participle): I've, you've, we've, they've WORKED.

Si usted dice que nunca ha trabajado, deberá decir la razón del porque:

- ✓ I've never worked as a/an _____ (profession), BECAUSE I recently graduated from College/University, etc.
- ✓ I've never worked before, because I couldn't find any job.

- ✓ Si lo dice en pesos chilenos deberá decir el número \$800.000 en inglés y terminar con Chilean pesos.
